Cottage Rehab & Sports Medicine Services offers excellence in physical therapy at eight locations across Illinois, so we are always near your neighborhood.

We are distinguished by the quality of our care and consideration for our patients.

You will get a booking for your first appointment within 24 hours of calling, and this prompt, individualized attention will continue throughout your treatments with us.

We accept most major insurances and will provide insurance pre-certification.

We provide an on-site fitness center, Workers' Compensation services, and free injury and sports consultations. Upon therapy discharge, you will receive one free month of our wellness program.

In addition to our locations throughout Illinois, we also see patients at Medical Hills Internists and Martin Healthcare Center.
